A close-up photograph of the front of a silver Rolls-Royce car. The Spirit of Ecstasy hood ornament is the central focus, mounted on the polished metal hood. The background is softly blurred, showing the car's headlight and wheel. A semi-transparent white circle is overlaid on the right side of the image, containing the text.

L'ATELIER

de Joël Robuchon

A photograph of a courtyard in a grand, classical-style building. The courtyard is paved and features a central fountain with a white statue of a reclining figure. Several tables and chairs are arranged for outdoor seating, with some tables having small green plants on them. Large green umbrellas provide shade over the seating areas. The building has multiple stories with arched windows and balconies. The word "Packages" is overlaid in a blue circle on the left side of the image.
